IIMM - Golden Jubilee Celebrations: **Special discount of 25% for Life Membership up to 30th April 2025**

The National President and NEC of IIMM have decided to offer a 25% special discount on life membership to commemorate the Golden Jubilee year by celebrating across various branches and utilizing the following several advantages on the Supply Chain and Logistics Institute, including:

- * **Networking opportunities:** IIMM provides a platform for members to connect with other professionals in the field, which can lead to new opportunities and collaborations.
- * **Industry knowledge and resources:** IIMM offers access to a wealth of industry knowledge and resources, such as research reports, educational programs, and industry best practices.
- * **Advocacy:** IIMM advocates for the interests of its members on a variety of issues, such as government regulations and industry standards.
- * **Professional development:** IIMM offers a variety of professional development opportunities, such as workshops, seminars, and conferences.
- * **Discounts on products and services:** IIMM members may be eligible for discounts on products and services from IIMM and IFPSM programs.

Visit: www.iimmbangalore.org.

IIMM National Had Quarters – Mumbai will accept membership subscriptions at the discounted rate until 30th April 2025. After this date, the regular membership subscription rate will apply.
