Information Brochure

THE INSTITUTE

The Indian Institute of Materials Management. IIMM emerged as an All India Body in 1975 with the merger of three professional associations. The National Association of Materials Management which until 1966 was known as National Association of Purchasing Executives, The Materials Management Association of India earlier known as Purchasing Officers' Association and the Materials Management Association of Hyderabad, and was named as the Indian Association of Materials Management (IAMM) which was later changed to Indian Institute of Materials Management (IIMM). This merger was in itself a milestone, thus giving birth to an Institute in its present form, India's only professionally recognized body for Materials Management.

THE PROFESSION

The Institute through its membership and regional branches all over the country, represents a wide spectrum of professionals engaged in the various facets of Materials Management and responsible for the planning of acquisition, control and distribution of materials and services. The need, to introduce and implement modern tools and techniques of Materials

Management, is widely recognized in Public, Private and Government sectors.

OBJECTIVES

- ❖ To secure a wider recognition of and promote the importance of efficient Materials Management in commercial and Industrial undertakings.
- ❖ To safeguard and elevate the professional status of individuals engaged in the Materials Management faculty.
- ❖ To constantly impart advanced professional knowledge and thus improve the skill of the person engaged in the Materials Management function.
- ❖ Propagate and promote among the members strict adherence to IIMM Code of Conduct and Ethics

CODE OF ETHICS

- ❖ To consider first, the TOTAL interest to one's organization in all transactions without impairing the dignity and responsibility to one's office;
- ❖ To buy without prejudice, seeking to obtain the maximum ultimate value for each Rupee of Expenditure;
- ❖ To subscribe and work for honesty and truth in buying and selling, to denounce all forms and manifestations of commercial bribery and to eschew anti-social practices;
- ❖ To accord a prompt and courteous reception so far as conditions will permit, to all who call upon a legitimate business mission;
- ❖ To respect one's obligations and those of one's organization, consistent with good business practice.

MISSION STATEMENT

To promote professional excellence in Materials Management towards national prosperity through sustainable development.

INTERNATIONAL AFFILIATION

The Institute is a charter member of the International Federation of Supply Management (IFPSM) which has its headquarters in USA. The IFPSM was founded in 1974 with the merger of International Committee of Purchasing

and European Federation of Purchasing. It represents a worldwide unity of purchasing, materials management and logistics professionals. It has more than 2000 members through its members associations in 44 countries spread over 6 continents. IFPSM enjoys, a consultative status with the United National Economic and Trade Development (UNCTAD) and the United Nations Economics and Social Council (ECOSOC).

IIMM has hosted the prestigious IFPMM World Congress in Mumbai in November 1993.

GOVERNING BODY

NATIONAL COUNCIL: The National Council whose members are elected, consists of the President, Senior Vice President, Five Regional Vice Presidents, National Secretary/Treasurer and National Council Members representing individual Branches.

BRANCH COMMITTEE: Each branch is governed through elected Members consisting of Chairman, Vice Chairman, Secretary, Treasurer, Committee Members and National Council Members.

ACTIVITIES: The Institute is also conducting two years Graduate Diploma Course in Materials Management (GDMM) which has been recognized by DEC and Govt. of India for appointment of superior posts and services under the Central Government and also accredited by IFPSM. It also conducts a three years Post Graduate Diploma in Materials Management (PGDMM) and Post Graduate Diploma in Supply Chain Management & Logistics by correspondence, which is approved by All India Technical Education Council (AICTE). IIMM also conducts Certified Professional in Supply Management (C.P.S.M), courses from Institute for Supply Management (ISM), USA and International Diploma in Purchasing & Supply Chain Management (IPSCM) from ITC-(WTO/UNCTAD), Geneva.

The above courses are controlled at the National level by a Board of Studies consisting of leading personalities from academic and professional field. The faculties are drawn from experts in Industry, Educational/Professional Institutions in the country.

OTHERS: Today IIMM has 51 branches and 19 chapters all over India. It has around 9000 Individual and Institutional members, drawn from public, private & government sectors. The Branches conducts various programmes for the benefit of the members.

In order to propagate the profession of Materials Management, the Institute also arranges a National Convention every year, in one of the major cities in India. The Institute regularly organizes Executive Development Programmes to upgrade the knowledge of practicing managers. For the Conventions and EDP's the members are given liberal concessions in Registration fees.

The Institute organizes a prestigious **All India Young Materials Managers** competition encouraging the young materials professionals. **The National Award**, the highest honour of the Institute if conferred with the objective of giving recognition to one of its members for outstanding contribution to the development of the profession and the Institute.

The Institute celebrates **April 23rd as Materials Management day** each year as it was rechristened as IIMM on this day.

CENTRE FOR RESEARCH IN MATERIALS MANAGEMENT (CRIMM)

IIMM has set up CRIMM in Kolkata jointly with the Techno India University, West Bengal. A MOU was signed with TIU on 17th of November, 2017 . Techno India University, West Bengal, promoted by the well-known Techno India Group is a leading Private University in the state and the country.

PUBLICATION

IIMM has its own in house journal called "Materials Management Review", covering various aspects of Materials Management, its modern trends and research activities. It is published on monthly basis and is distributed to all the members.
