SCALE 2020

Indian Institute of Materials Management, Bangalore brings to you the 20th Edition of its Annual Signature Event, Scale 2020 on 19.12.2020.

2020, has been a year of many surprises - be it the pandemic or the changing Geo-political equations - which have influenced the Global Supply Chain in 'never-ever-seen-before' ways. This year's Scale 2020, is the first Virtual Edition, in keeping with the new normal.

Ever since its inception in the year 2000, Scale (Supply Chain and Logistics Exposition) has brought to its delegates the best of Speakers and Experts in the field of Supply Chain Management to share their valuable insights into various current and relevant developments, and transformations in the domain.

Year 2020 is no exception. We bring to you Professionals, Experts from both National and International backgrounds with their views on how the various sectors of the economy have been facing up to the challenges resulting from an already declining economy, further affected by the chaos created by the Covid 19 Pandemic and the Geo-political factors and how they have been bouncing back with adaptations, Innovations to overcome the negative impacts, disruptions and how the year 2020 could be a defining year for some highly impactful transformations and reshaping of Supply Chains.

The theme of Scale 2020 is:

SCM 2020: Disruptions, Innovations and Resurgence

ABOUT IIMM

Indian Institute of Materials Management is a premier professional Institute in the field of Supply Chain Management in India.

Our mission is to "promote professional excellence in materials management towards national prosperity through sustainable development" through its network of 52 branches and 19 chapters spread over the length and breadth of India.

IIMM is dedicated to the imparting of professional training for working professionals in the area of Materials Management / Supply Chain.

Knowledge enhancement through its Educational Courses, skill development through its Executive Development Programs, Seminars, Workshops and In-house Training Programs and consultancy tailored to meet the demands of individual organizations has been the core competency of this Institute.

INTERNATIONAL AFFILIATION

IIMM is a charter member of International Federation of Purchasing and Supply Management (IFPSM), USA which has its roots in 33 countries from all the six continents, representing world-wide views on Purchasing and Materials Management professionals.

IIMM offers a world class training in the area of supply chain management through its training program offered in association with ITC (WTO)/UNCTAD, Geneva, Switzerland.
