GOLDEN JUBILEE AWARDS - SCALE 2023

scale

2023

Date: Saturday, 4th November 2023

Timing: 9:30am to 5:30pm

Venue: The Chancery Pavilion, Residency Road, Bengaluru

Theme: “Sustainable Supply Chain Through Integrated Logistics & Digitization”

Sustainable logistics 4.0 is the deployment of digitalization initiatives to accelerate the development of a connected, traceable, and resilient logistics system. This aids in meeting individual customer requirements, by adopting environmentally friendly practices. The application of digitalization technologies in logistics ensures the availability of the products at the right place, right time and right quantity and thus reduce wastage. Digitalization helps in the visualization of the logistics activities as well as enables linkages to simulation and optimization tools for effective decision-making.

IIMM, Bangalore has always been at the forefront to cater to the needs of the changing scenario by introducing the latest in SCM with its Executive Development Program, Training Calendar, Academic and Consulting activities. IIMM is delighted to present its 23rd Edition of their annual flagship mega event, **SCALE 2023 (Supply Chain and Logistics Exposition)** on **4th November 2023** at The Chancery Pavilion, Bengaluru.

SCALE 2023 event is planned to give an in-depth insight into “**Sustainable Supply Chain through Integrated Logistics and Digitization**”, in addition, the five-stage transnational supply chain cooperation through innovation diffusion. It is an efficient strategy for ensuring the sustainable development of supplier partnership in developing Nations. Innovation is engulfing whole gamut of the supply chain activities. Smart objects such as Autonomous vehicles, Delivery Drones and Mobile Robots will take on the same role in the physical world. Robotic Process Automation in the digital arena helps in improving speed, accuracy, and efficiency.

Interactions with leaders from various verticals and disciplines will be the highlight of **SCALE 2023**. Focus areas shall be on Manufacturing, Logistics and Fast-growing Services, including Private and Public Sectors

Session topics include:

- ◆ Supply Chain Digitalization
- ◆ Leveraging artificial intelligence and machine learning

- ◆ Sustainable Supply Chain & Logistics Management
- ◆ Industry 4.0
- ◆ Web based Supply Chain Cyber Physical Systems
- ◆ Enterprise Resources Planning
- ◆ Cyber security systems
- ◆ Internet of Things, Information System & Cloud Computing
- ◆ Autonomous Vehicle Transport Management Systems

Galaxy of delegates consisting of Head of Materials and Supply Chain Management professionals from various industries shall be participating in this mega event **SCALE 2023**. The opportunity to network and interact with fellow professional from India and abroad across the supply chain spectrum of industries will be an added advantage for the participants.

The event also provides opportunity for organizations to showcase their products and services to the participating delegates and invitees. A commemorative souvenir will be released on this occasion and will reach decision makers of various organizations and members of IIMM.

About IIMM:

Indian Institute of Materials Management is the premier professional Institute of Materials Management in India. The mission is to “promote professional excellence in materials management towards national prosperity through sustainable development”, through its national network of 54 branches and 19 chapters spread over the length and breadth of the country. IIMM is dedicated to professional activities including Educational Courses, Executive Development Programs, Seminars, Workshops, In-house Training Programs and Consultancy.

Golden Jubilee Celebration IIMM Bangalore Branch

Indian Institute of Materials Management our esteemed institute is celebrating golden Jubilee this year 2023. Our journey began in 1972-73, when a group of visionaries came together to have a branch in Bangalore of IIMM that would change the face of Materials Management in Industry and Education. Since then, IIMM Bangalore Branch have been at the forefront of Industries driving change and making a difference in the lives of countless individuals in Supply chain management.

The IIMM Bangalore Branch owes its thanks to the pioneering efforts of those dedicated veterans who founded the Institute and lovingly tended to its growth. Though modestly referred to as ‘Branch’ the IIMM at Bangalore has grown to firmly establish its roots as a gigantic tree.

IIMM Bangalore Branch is proudly celebrating its Golden Jubilee with a cultural program for IIMM Members and their family on 27th October 2023 (Friday) from 6.00 pm to 9.00 pm at Woodlands Hotel. This day will be the Talents Day and as part of Golden Jubilee will Honour all awardees those who won the award of following Competitions.
